

Virtual Learning Tips

Online learning will start for all NYC students beginning Monday, March 23.

Look out for announcements from your child's school about what program they will be using to offer virtual learning.

Your school is able to loan out technology for students who need it.

You can also access the internet using the web browser on PS4 and Xbox.

Reach out to a teacher if your child needs extra help understanding the work.

Access the following websites for more academic work students can do at home.
